

ACBL Unit 506 Meeting Minutes

March 11, 2019

1. Call to Order

Tom Stillman, Unit President, called to order a meeting of the Unit 506 Board at 4:00 pm at the home of Libby Noronha in San Francisco, CA. The following persons were present: Tom Stillman, Joanne Allen, Kris Wong, Lauren Friedman, Gail Gabiati, Martin Kaye, Donna Neff and Libby Noronha. Steve Smolen was absent.

2. Treasurer's Report

Kris Wong, Treasurer, reported that the checking account has \$21,774. St. Mary's has raised our rent to \$481 for each Unit game.

3. Unit Games

Marion has retired from providing the unit game lunches. In consideration of her many years of hard work and amazing repasts, the Board decided to prepare a thoughtful card and present her with two bottles of wine. For future lunches, Gail will continue to organize 4 lunches a year, Carla Turpin will also do 4 and Andy Strauss will do one or two. Gail is the food co-ordinator for the March and April Unit games; Carla will do May. As the number of attendees has risen, it is impossible for one person to be in charge of the entire meal. It was decided that any non-Board member who makes a substantial effort in helping the co-ordinator will receive a free play. In addition, the partner of the co-ordinator receives a free play.

St. Mary's will lend us their microphone for our lesson and awards announcements for the March unit game. Hopefully, they will continue to do for future games.

The Directors for the years will alternate among Edmund Wu, Will Watson, Sharon Lee and Evelyn Holtz. There will always be two assistant directors as well.

The meeting was adjourned at 5:20.
